Why Are We Here?

- Accelerate Fleet transition to electronic navigation
  - Fleet-wide by end FY04
  - Start with FY02 BGs

- Roadmap for ECDIS-N installation, training and certification

- Balance risk with operational capability

- Identify the trade space

Deliverables

- Detailed POAM for installation, training and certification for each ship.
  - Identify issues, solutions, alternatives.
  - Track items on critical path to success.

- Establish Navigator of the Navy Ad Hoc FY02 Navigation Working Group.
  - Monitor POAM, address emerging issues.

Teamwork!
